

Oster® PowerPro® Ultra

- ✓ Powerful. Lightweight.
- ✓ Long Battery Life.

The PowerPro® Ultra combines signature Oster® Power Advantage with the convenience of a cordless clipper to deliver optimized cutting performance. With a powerful Universal motor, the PowerPro® Ultra delivers extraordinary cutting performance while running at only 3,300 strokes per minute, which results in less blade heat than conventional high speed clippers. Fifteen percent lighter than the previous PowerPro model, the PowerPro® Ultra has a lightweight ergonomic design and a soft touch, nonslip grip for increased comfort. The battery is slimmer and longer lasting—offering 60 minutes of run time.

- ✓ 3,300 Strokes per minute
- ✓ Lightweight with soft touch grip
- ✓ 60 minute run time
- ✓ Kit Includes: two batteries for non-stop cordless clipping; a convenient steel, foam-padded carrying case; lightweight, compact charging stand; AglION Antimicrobial # 10 blade
