Storm and Storm II Clippers

These high performance clippers feature enough power and torque to clip even the tough areas with 3,100 to 4,700 SPM. The linear blade drive system is designed to deliver power, speed and performance where you need it. They feature a patented easy-to-replace drive tip, so there is no need to take the clipper apart. These clippers are lightweight and perfectly balanced to prevent wrist injury. The 16' super flexible cord stays flexible below 30 degrees. The curved casing reduces hair clogging and the ergonomic designed contour shape has a smooth rubber grip. Includes a #10 Wahl Ultimate Competition Series Blade.

- W8878 Storm Variable Speed Clipper\$169.95
- W8879 Storm II Two Speed Clipper.....\$169.95
