

Ryan's Sharpening & Repair Center

(800)525-PETS
Ext: 231

At Ryan's Sharpening and Repair Center, we sharpen and repair thousands of blades, shears, clippers and dryers each year. We are considered by many to be the best in the business. Trust our expert technicians to service all of your equipment and get it back to you quickly. We understand that well-running equipment is imperative to your business success! Lengthen the life of your blades, shears, clippers and dryers by sending them to us for servicing.

As sharpening and repair manager for Ryan's Pet Supplies since 1991, I personally guarantee your satisfaction. And, as a long-standing co-owner of a grooming shop with my wife Janis, I understand the unique needs of the grooming business. If you are not completely satisfied with the sharpening and/or repair of your equipment I want to hear from you.

Call our '800' number extension 231.
I personally guarantee your satisfaction!

Blade Sharpening

Sharpening is done on factory-approved equipment, known as hollow-ground. This method allows more pressure at the tips of the blade teeth, thus eliminating dragging and jamming of hair. Blades will cut smoother & stay sharp longer.

- Blade\$6.99 ea.
- Arco Blade Refurbishing ... 14.95 ea.
- Large Animal Blade 7.99 ea.

Blades are disassembled, cleaned, and then checked for worn parts. After sharpening, they are dipped in a blade wash, oiled, reassembled and checked for proper tension and alignment and string tested. All new customers receive a free reusable blade shipper box (see below).

Regular Shear Sharpening

(Beveled Edge - Non-Honed)

We offer precise, quality sharpening on all style shears. Are you a "Lefty"? Not a problem. Ryan's specializes in sharpening left handed shears. Corrugation of shears is available on request at no extra charge.
