Paw Brothers® Shears

✓ All Shears Are Ice Tempered Stainless Steel

Paw Brothers® Shears are a Premium Quality Line of Shears at an affordable price. Their sharp cutting edge gives a smooth and clean cut. All Paw Brothers® Shears are Ice Tempered Stainless Steel. Rockwell hardness 55-56.

Paw Brothers® Laser Sharp Grooming Shears (Narrow Blade)

✓ Light Shear For Finish And Delicate Work With Finger Rest

The Laser Sharp Grooming Shear by Paw Brothers® is designed with the groomer in mind. It has an ergonomic handle with the thumb shank being shorter and finger hole turned inward for more comfort and control. The design allows the shear to be opened easier, wider and with less effort. The Laser Sharp Shears are Stainless Steel Ice Tempered, and have thumb inserts.
