

**Bass Pet Groomer Brushes**  
The World's Finest Pet Brush

For nearly 30 years, BASS has designed, and produced the finest professional brushes. BASS has now created a truly innovative series of animal grooming brushes. All brushes are made with earth-friendly bamboo and feature a multi-sectioned pad. Metal pins detangle the coat while the pure boar conditions the hair by distributing natural oils, leaving a healthy shine and a protective layer over the coat. Wooden handles styles assorted: striped bamboo wood and plain bamboo wood.
