Pet Society Magic Color

✓ **Temporary Dyes for Pets**
Magic Color is formulated with FDA approved cosmetic grade pigments. It is easy to use and apply. Colors can be mixed to obtain new colors and fades. Get creative! Product can be applied with brushes, spray bottles, or free hand. Great for highlights or detailed drawings. Once dry color does not dry or harden coat. Color is removed in 3 washes. Color will transfer if coat is wet.

Leave-In Conditioner - 16:1

Paw Brothers® Abra-Ca-Dab-Ra™ Leave-In Conditioner saves valuable time because it does not have to be rinsed out. Whether sprayed on or poured over the pet, Abra-Ca-Dab-Ra™ Leave-In Conditioner will make the coat silky and static free without leaving residue or over softening. Great for keeping fine hair from tangling and balling up while blow-drying. It's a must for the show person and professional groomer. 32:1 as a Spray.

Premium Shampoo - 22:1

Paw Brothers® Abra-Ca-Dab-Ra™ Premium Shampoo has luxurious lather that rinses easily, leaving no dulling build-up. The rich lather may be left on the coat several minutes for extra conditioning and to build voluminous body. Gentle enough for daily use, Abra-Ca-Dab-Ra™ leaves pet's coat super shiny and manageable. Our static free formula eases the chore of blow-drying so combs glide through the coat like magic, making pets ready for the show ring or your most discriminating customer in the blink of an eye!
