Self-Cleaning Slickers

Quick, easy hair removal at the touch of a button. No more trying to pull or comb hair out of slicker brushes. One handed, quiet operation allows you to easily remove hair and keep brushing. All slickers feature stainless steel pins and a comfortable, easy-grip handle.

	ea.	ea./12

High Quality Slickers

These ergonomically designed slickers are unsurpassed in comfort and quality. The no slip handles offer superior control. All Safari slickers have rolled corners with no open areas to catch the animal's fur. The stainless steel pins and backs will not rust. Curved slickers have two pin lengths to grab and lift hair.

	ea.	ea./12		ea.	ea./12
CW402 Soft Small	(\$4.37)	\$3.93 \$3.53	CW413 Curved Small	(\$4.72)	\$4.25 \$3.83
