FURminator®

✓ **Reduce Shedding up to 90% with the FURminator!**

The patented FURminator deShedding Tool quickly and easily removes the loose, dead, undercoat hair that is the underlying source of shedding. The non-cutting stainless steel edge gently grabs loose undercoat and harmlessly removes it without damaging the topcoat. The tool is guaranteed to reduce shedding better than any brush, comb or rake working on all shedding dogs and cats, both long and short haired. The FURminator line is used and recommended by Veterinarians and Professional Groomers worldwide.
